## Field Visit Report

**Date of Visit:** 20th September, 2025

**Place Visited:** Ambarnath Temple

**Departments Involved:** BMS, BSCIT, and BBI

**Faculty In-Charge:** Prof. Rupali (BSCIT), Prof. Yatin (BMS), Prof. Priyanka Jayanth (Industrial Knowledge System)

### Objective of the Visit

The purpose of the field visit was to provide students with an opportunity to:

- Gain exposure to cultural and historical heritage.
- Develop discipline and responsibility through group learning.
- Understand the significance of field visits as part of holistic education.

### Observations & Student Response

- All students reported on time and followed the given instructions.
- Students came in formal college attire and wore their I-cards as instructed.
- They remained obedient, disciplined, and cooperative throughout the journey.
- Students actively engaged and maintained respectful behavior at the temple.

### Highlights of the Visit

- The trip was a grand success with full participation.
- Students carried light snacks and water, which ensured smooth travel.
- Faculty members guided students effectively and ensured safety.
- The visit created an atmosphere of team spirit, discipline, and cultural learning.

### Acknowledgements

Special thanks to:

- Prof. Rupali (BSCIT Department) - Prof. Yatin (BMS Department) for taking time out of their personal schedules and extending valuable support. Heartfelt thanks to all students for their enthusiasm and cooperation, which made this program a big hit.

### Conclusion

The field visit to Ambarnath Temple was a successful and enriching experience for students as well as faculty. It not only fulfilled the learning objectives but also created a memorable experience of unity, discipline, and cultural appreciation.
