## Report on Seminar on Project Development

Resource Person: Ms. Ummhani

Quality Software Technologies, Thane

Venue: Pragati College of Arts, Science and Commerce, Dombivli

Date: 30th July 2025

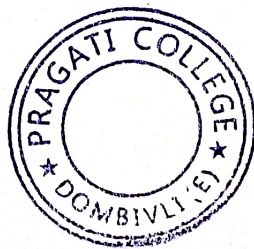

Time: 11:00 AM

The Department of Information Technology organized a Seminar on Project Development on 30th July 2025 at 11:00 AM. Total 50 students were present for the seminar. The guest speaker for the seminar was Ms. Ummhani, a professional Software Developer associated with the organization.

The seminar aimed to enhance students' understanding of the project development process, from initial planning to implementation and testing. Ms. Ummhani shared valuable insights on the latest software development tools, project life cycle models, and the importance of teamwork and documentation in building successful projects. She also discussed real-time case studies and guided the students on how to align academic projects with current industry standards.

The session was highly informative and interactive. Students actively participated and clarified their doubts related to project design, coding practices, and deployment strategies. The seminar concluded with a question-answer session, followed by a vote of thanks to the speaker for sharing her expertise and motivating the students.

Overall, the seminar proved to be a very enriching experience, providing students with practical knowledge and exposure to real-world project development practices.
