## Dcodetech Fest 2025 – 2026

To,

The Director / Principal,

Subject: Request to Permission for Workshop on Advanced Cyber Cell Investigation Techniques & Cyber security Guidance Session

Respected Sir/Madam,

We are from Dcodetech, would like to ask for permission to conduct a Workshop & seminar at your College on the following date

\_\_\_\_\_. The said seminar is entitled “Dcodetech Fest 2025 - 2026” and we will discuss about **Workshop on Advanced Cyber Cell Investigation Techniq.** Internship How to build a successful career in Cyber Security? 2025 - 2026. It is a workshop initiated to give opportunity to the students to exhibit their technical skills through a Live Project Training & Technical Workshop.

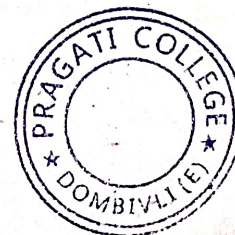

As the demand for cyber security professionals continues to rise, it is essential to equip our students with knowledge about this dynamic field. The proposed session aims to provide insights into various career paths within cyber security, including roles in threat analysis, ethical hacking, and information security management.

We believe this session will inspire students to consider careers in cyber security and help them understand the skills and qualifications needed to succeed in this field. We anticipate that it will benefit not only those interested in technology but also students from diverse academic backgrounds.

Hope that you will grant this request and all the students will attend this seminar and all teachers of your college are invited to take their respected seats. This seminar is interesting to discuss about Information Technology and Cyber security and we also organize **Two Hour** discussion where active participation will make the students energetic. We need your support to carry on such initiative.

### Workshop on Advanced Cyber Cell Investigation Techniques & Cyber Security Guidance Part 1. Advanced Cyber Cell Investigation Techniques (30 mins)

1. Introduction to Cyber Crime Investigation Framework
2. Digital Evidence Collection & Preservation
3. OSINT (Open Source Intelligence) Tools & Techniques
4. Dark Web Monitoring & Investigation
5. IP Tracing, Email Header Analysis, and Geo-Location Techniques
6. Case Study: Real-life Investigation Scenarios

**Part 2. Cyber Security Guidance Session (30 mins)**

1. Latest Cyber Threat Trends in 2025
2. Best Practices for Personal & Organizational Cyber Hygiene
3. Phishing, Social Engineering, and Ransomware Awareness
4. Incident Response Plan for Organizations
5. Legal Aspects & Cyber Laws Overview
6. Q&A Session

We look forward to hearing from you and will be happy to answer any questions regarding "Dcodetech Fest 2025 - 2026" through email at [info@dcodetech.in](mailto:info@dcodetech.in) or by phone 8655852680. Request to send to [info@dcodetech.in](mailto:info@dcodetech.in) conformation.

Sincerely,

Mr. Parth Paradkar.

**Academic Year 2024-25**

**Report On**

**“Workshop on Cyber Security and Job Opportunities”**

T. Z. A. S. P. Mandal's Pragati College of Arts & Commerce, Dombivli (E) organized “**Workshop on Cyber Security and Job Opportunities**” by “**Dcodetech**”. The workshop aimed to educate students on the growing relevance of cyber security and the diverse career opportunities available in this fast-evolving field.

The workshop was conducted on 01<sup>st</sup> August 2025 in the college. Total 78 students were present for the workshop.

The workshop was inaugurated at 11.00 am along with welcome of team. The session was graced by two esteemed guests:

- **Ms. Anjali Shrivastav** from **Dcodetech**, a professional with expertise in the corporate cyber security domain.
- **Mr. Omkar Gole**, **Cyber Expert from Mumbra Police Station**, known for his practical experience in handling cyber-crime investigations.

A total of **70 students** attended the workshop with keen interest. The event began with a formal welcome of the guests, followed by detailed presentations by both speakers.

Ms. Anjali Shrivastav highlighted current trends in the cyber security industry, necessary skillsets, and the importance of certifications and hands-on training for aspiring professionals.

Mr. Omkar Gole shared real-life cases and explained the role of law enforcement in tackling cyber-crimes. His insights provided students with a practical understanding of the challenges and responsibilities in the cyber security field.

The session concluded with an interactive Q&A segment, where students eagerly engaged with the speakers.

The workshop proved to be highly informative and motivating, sparking interest among students to pursue careers in cyber security.

The college extended heartfelt thanks to the guest speakers for their valuable contribution and to all students for their enthusiastic participation.
