

On the occasion of **International Youth Day**
Focus group discussion on "**Design your destiny**"

Point for Group discussion:

1. Understand & define destiny

What is destiny?

Whether Destiny is predetermined or it can be created.

Should we left our Destiny on God?

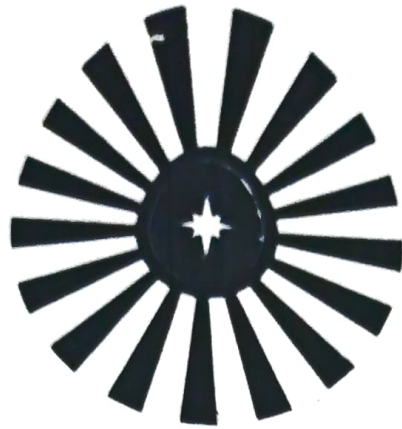

Should a person create their own destiny or would be depend on situation or person? Does a person's past actions help to make his / her Destiny or do the present deeds make a future Destiny?

2. What kind of problems/challenges to be faced to achieve our desire destiny?

3. What are the solutions/techniques to achieve our desire destiny?
