

Provision for Disabled Person

The infrastructural facilities at Pragati College of Arts and Commerce are Divyangjan friendly. In order to make convenient for the differently able persons, the College is providing the following facilities:

- Ramp at the entrance gate: The College had two entrance gates, in which one of the gates is having ramp facility where the disabled person can bring the vehicle/auto riksha inside the College premises.
- Office at the ground floor: The College Office is at the ground floor with the counters and a separate inquiry counter easily accessible for the disabled students.
- Portable ramp: The College provides a portable ramp made up of wood which can be attached to either College Office, ground floor classrooms, toilets wherever required.
- Scribes: Scribes are allowed for the disabled students for the exams and even they are provided with extra time as per the rules.
- The College will go for further more facilities like railing, permanent ramps, purchase of software etc. in the coming future.
