The stallholder Student Entrepreneurs were very happy with the overwhelming response they received. They were able to sell their products and also take order for future delivery.

The basic concept with which this idea was launched was successful. It gave a platform to the student to exhibit their skill and motivate them to start self-employment and develop the entrepreneurs in them. All the Commerce Association Members showed their interest & willingly participated in this activity.

The programme successfully concluded at 4.00 p.m

The entire programme was well initiated and well organised by Dr. (Mrs.) Kishori. J. Bhagat and the student members of the Commerce Association.
