REPORT ON "PRAGATI ENTREPRENEURS"

Pragati Entrepreneurs was initiated with the intention to make students aware about skill development and motivate them to start their business and create employment opportunities. Every year Pragati Entrepreneurs organizes an exhibition cum sale for the students where they can exhibit their skills by displaying the food and other products made by them. This year because of the covid-19 pandemic the physical exhibition was not possible due to lockdown situation.

This year a webinar was organized on Monday 25th May 2020 at 11 am on 'Pragati Entrepreneur on start ups and entrepreneurship'. The speaker was Mr. MufaddalBookwala from Mumbai. He was working in the field of marketing corporate gifting for 18 years but from last three years he started his own start up business by the name 'Mufaddal sports' to pursue his childhood passion of cricket and sports. The objective of this webinar was to imbibe entrepreneurial thoughts in the minds of the students.

The programme was organized in association with IQAC under Commerce Association. The webinar started with the introduction of the webinar by DrKishoriBhagat and welcome address by the Principal DrJyotiPohane. The technical support was provided by MsRupaliPatil and MsSnehalBorle. The other members in the preparation for the webinar were Ms Manasi Bhagwat, Ms Swati Pusalkar, MsTruptiTulaskar and MsSnehaMhatre and members of Commerce Association. The webinar ended with the question answer session.

Around 104 participants participated in the webinar and some students also joined on YouTube. 145 participants response was received. Feedback form was filled by the students and e certificates were distributed to the students who attended the webinar.
